BEHIND THE WINE - PENFOLDS KALIMNA BIN 28 SHIRAZ

Penfolds Kalimna Bin 28 Shiraz, with its signature characters of abundant fruit, ripe fleshy palate and generosity of flavour, is one of the most popular wines in Penfolds portfolio. First produced in 1959,

Bin 28 is Penfolds earliest Bin-range wine. Developed in the wake of Max Schubert's Grange project, the first releases were based on the historic 19th-century planted Kalimna Vineyard, which was acquired by Penfolds in 1945.

Increasing demand for this hugely popular wine allowed Penfolds winemakers to include material from other warm-climate South Australian wine regions. The modern Bin 28 Shiraz epitomises Penfolds House Style with its ripe choco-berry fruits, ripe tannin structure and generous flavours. Although the style promotes early-to medium-term drinking, it has earned a reputation for punching above its weight. In the best Penfolds vintages, it can develop complexity and great character with long-term cellaring potential.

The wine has received numerous awards at various international wine shows around the world, including the International Wine Challenge in London. In 2005, it was classified 'Distinguished' by Langton's Classification of Australian Wine, in recognition of its visibility in the collectible ultra-fine wine market.

*"Bin 28 defines the Penfolds character: generous in style,
delicious to drink and dependable every vintage."*

Andrew Baldwin, Red Winemaker
