COLDSTREAM HILLS Deer Farm Pinot Noir 2021

The Region: Yarra Valley, VIC

The Aromatics: Vibrant intense raspberry, muddled strawberry and sour cherry characters with savoury graphite notes and subtle French oak. Hints of whole bunch spice add perfume.

The Flavours: A near perfect season has provided one of the best Deer Farm Pinot Noir to date. Brimming with summer raspberry and crushed strawberry notes, it exudes Upper Yarra purity and spice. Silky tannins, graphite mineral and subtle French oak add complexity and lift.

The Longevity: Enjoy now, or cellar to 2032.

We love this wine with: An entrée salad of sliced duck breast, radicchio and cherry vinaigrette.

RRP \$50

DEVIL'S LAIR Honeybomb Luxe Malbec 2021

The Region: Margaret River, WA

The Aromatics: Lifted rose and black cherry with hints of sweet pastry and sumac.

The Flavours: Full and generous with English mulberry, plums and blackberries. Cradled by fine oak and powdery tannins which gives the wine beautiful length and expansion.

The Longevity: Enjoy today, or cellar up to 2026.

We love this wine with: Rum and raisin dark chocolate.

RRP \$25

PENFOLDS Cellar Reserve Sangiovese 2021

The Region: Barossa Valley, SA

The Aromatics: A mix of charcuterie, roasted red peppers and fresh green peppercorns – wood fired pizza comes to mind.

The Flavours: Sweeter red fruits are immediately present, but equally so is the mouth-watering acidity: cranberry, cherry and pomegranate. Very succulent.

The Longevity: Enjoy today, or cellar up to 2030.

We love this wine with: Three tomato risotto with Italian herbs.

RRP \$70

WYNNS COONAWARRA ESTATE V&A Lane Cabernet Shiraz 2021

The Region: Coonawarra, SA

The Aromatics: The split of 67% Cabernet Sauvignon and 33% Shiraz presents a delicate wine of virtue where fruit purity and calibre are intrinsically on show. Blackberry bramble and blood orange juice are coated with fine shavings of fresh hazelnut and black spice.

The Flavours: A long time on skins after ferment takes the naturally rich fruit into savoury and complex territory. Flavours at the dark blackberry end of the spectrum are layered with black tea and aniseed, and are bound together across considerable length by soft velvety tannins.

The Longevity: Enjoy today, or cellar up to 2036.

We love this wine with: Wynns Chief Winemaker Sue Hodder recommends a flavourful white fish.

RRP \$60

ST HUBERT'S Yarra Valley Cabernet Merlot 2021

The Region: Yarra Valley, VIC

The Aromatics: A vibrant fruit driven nose with a hint of bay leaf. Merlot plums, dark fruits and black olive are evident, and Cabernet provides the classic cassis and leafy background notes.

The Flavours: Medium bodied and balanced, the palate is fresh and lively with cassis at its core. Restrained oak and soft but persistent tannins frame the wine nicely.

The Longevity: Enjoy today, or cellar until 2026.

We love this wine with: Slow beef pot roast; root vegetables, bone marrow stock, bay leaves, black pepper.

RRP \$40

ROSEMOUNT Balmoral Syrah 2021

The Region: McLaren Vale, SA

The Aromatics: Purely Shiraz (or rather, Syrah) and speaking articulately of its McLaren Vale origins; pristine red berry fruits supported by darker fruits and dried cranberries.

The Flavours: A perfect amalgam of freshness, sweetness, spice and power that will certainly reward good cellaring. Today it displays dark berries, black pepper and soft cinnamon.

The Longevity: Enjoy today, or cellar until 2031.

We love this wine with: Eye fillet, cooked medium-rare, fresh mustards.

RRP \$75
