

squealing pig zero rosé

tasting notes:

colour

The pretty pink of our little pig's rosy cheeks.

nose

This little pig went wee, wee, wee as they sniffed the subtle aromas of our Squealing Pig Zero Rose's sweet and succulent white strawberries and nectarines.

palate

This little pig is invigoratingly ~~crisp~~ all sorts of refreshing. With its soft and silky finish, this Zero Rosé is a certified fan favourite. With a dry rosé taste, balanced with fresh, subtle cherry blossoms and strawberries and cream flavour this palate is ~~abundantly~~ ~~flavourful~~ bursting with flavour.

cellaring

With a wine as good as this just snap it up, pour it out, and enjoy!
