EDEN VALLEY DRY RIESLING 2018

Since 1945 Leo Buring has established a reputation as Australia's foremost maker of Riesling. At Leo Buring we only make Riesling. It is the grape variety that encapsulates everything we strive for; purity, elegance, time and place and the structure to age gracefully.

In this quest we source our grapes from Australia's premier Riesling regions, being the Clare Valley and the Eden Valley. These regions share similar pure fruit attributes, and the ability to age, but possess their own individual regional characters.

The 2018 Leo Buring Eden Valley Riesling displays pure citrus fruit with underlying minerality, making it a perfect fresh compliment to clean vibrant dishes. The back label contains the International Riesling Scale - a guide that helps Riesling aficionados determine the style of a particular Riesling.
