

Coldstream Hills

Tasmania Pinot Gris

Established by James and Suzanne Halliday in 1985, Coldstream Hills is synonymous with elegance, finesse and great length of flavour. It has since grown to become one of Australia's leading and most awarded small wineries. With a historical connection to Tasmania, with James Halliday's championing of the region, our ongoing access to Tasmanian fruit is a natural extension to our Yarra Valley range.

With aromas of pear, peach and subtle blossom, this is a delicious, balanced Pinot Gris with a textural palate.
