

YELLOWGLEN

Always sparkling

Yellowglen 'Bella' Pink Moscato

PINK MOSCATO: Celebrating the dynamic women of today, Yellowglen Style Series toasts the vibrant personality of the modern Australian Yellowglen woman. Bella reflects our elegant and smooth Pink Moscato; effortlessly glamorous, she unapologetically wears sequins as part of her everyday outfit. Charismatic and outgoing she always wears one piece of statement jewellery with her gold leather pants and black tailored blazer.

TASTING NOTE: With a delicate pink blush, Bella Pink Moscato has lifted rose water and Turkish delight aromas with delicate white musk flavours and a sweet but balanced finish.

WINEMAKER COMMENTS

VINTAGE CONDITIONS: A mild winter led to a warm and dry growing season with bud burst. It was relatively cool leading into vintage, which commenced early as a result of normal crop levels and continuing dry conditions. In mid-January, the season remained dry and relatively hot, which continued until mid-February. Healthy leaf canopies prevented the fruit from being affected by the sun, but the warm conditions accelerated ripening. Rain came in mid-February, which delayed grape harvesting and processing by about two weeks and was accompanied by cooler weather. Despite the delay, 2014 proved ultimately to be another good vintage.

REGION: South Eastern Australia

GRAPE VARIETY: Blend of red and white Frontignac with Muscat varieties

MATURATION: Bottled immediately after blending in order to retain the fresh fruit flavours

COLOUR: Delicate pink blush

NOSE: Exhibits lifted rose petal and Turkish delight

PALATE: The palate is bursting with flavours of rose water, red berries and white musk and finishes with a sweetness that is balanced by acidity and fine bubbles.

PEAK DRINKING: Enjoy now!
