

## Early Harvest Rose

Leading the global trend towards lighter, more refreshing styles of wine, the LINDEMAN'S Early Harvest range is lighter in alcohol and calories when compared to comparable wines of the same style.

Combining winemaking heritage with technical skill and innovation, LINDEMAN'S Early Harvest is lighter in alcohol and calories, without compromising on taste or varietal integrity. It takes great skill and a dedicated team winemakers to get this balance right.

LINDEMAN'S Early Harvest wines are crafted from select parcels of flavour-ripe grapes harvested from early ripening regions in South Eastern Australia, giving these wines a uniquely fruity and refreshing taste.

Loved by Australians for over five years since its inception, LINDEMAN'S Early Harvest delivers a lighter lifestyle alternative, whilst maintaining the quality and enjoyment that LINDEMAN'S wines are renowned for.

### Winemaker Comments Ben Miller

---

#### Vineyard Region

South Eastern Australia

#### Technical Analysis

**Harvest Date** March

**pH** 3.18

**Acidity** 6.1g/L

**Alcohol** 8%

**Peak Drinking** Best enjoyed when young and fresh.

#### Grape Variety

Pinot Noir (33%), Grenache (33%).

Sangiovese (30%), Shiraz (4%).

#### Maturation

Selected parcels were picked at optimal ripeness and then cool fermented to preserve freshness and bright flavours.

#### Colour

Delicate salmon pink.

#### Nose

A fresh amalgam of red berries and dark currents, Lifted, crisp and perfumed.

#### Palate

The palate is clean and vibrant displaying delicious flavours of cranberry, pomegranate and strawberry. Delicious fruited mid palate is balanced with a natural crisp finish
