

## Brut Sparkling Non Vintage

The strength of the Seaview winemaking team is their ability to source premium-quality fruit from Australia's best wine regions. Many of these vineyards specialise in the traditional sparkling wine grape varieties and are located in cool climate regions, with Chardonnay and Colombard playing a major role in influencing the Seaview style.

### Winemaker Comments

---

#### Vineyard Region

South Eastern Australia

#### Vintage Conditions

This is a non vintage wine.

#### Technical Analysis

##### Harvest Date

pH 3.21
