CLARE VALLEY

## **ANNIE'S LANE HARVEST COTTAGE CHARDONNAY**

*In winemaking's early days, the local community would come together to help each other in busy times of the season. Local legend Annie Wayman in her horse drawn cart, would deliver lunch and hot drinks to pruners in the vineyard before following the lane back to her cottage nestled amongst the vines.*

*Harvest Cottage Chardonnay, by Annie's Lane, has rich aromas of stone fruits, ripe pear and citrus with subtle hints of oak. The palate is soft, rounded and fruit forward, with a creamy texture and a refreshing finish.*
