*Always sparkling*

## Yellowglen Botanics Series Pink Moscato

### PINK MOSCATO:

Wrapping herself in a sea of florals, the Yellowglen woman celebrates the beauty and joy that flowers bring. Our delightfully feminine Botanics Series Vintage Pink Moscato is soft, fruity and playful.

Rosy pink in colour, it has aromas of rosewater, musk and Turkish delight. On the palate it is full of luscious raspberries, strawberries and a whisper of rose.

### TASTING NOTE:

With a delicate pink blush, Bella Pink Moscato has lifted rose water and Turkish delight aromas with delicate white musk flavours and a sweet but balanced finish.

### WINEMAKER COMMENTS

### VINTAGE CONDITIONS:

A mild winter led to a warm and dry growing season with early bud burst. It was relatively cool leading into vintage, which commenced early as a result of normal crop levels and continuing dry conditions. In mid-January, the season remained dry and relatively hot, which continued until mid-February. Healthy leaf canopies prevented the fruit from being affected by the sun, but the warm conditions accelerated ripening. Rain came in mid-February, which delayed grape harvesting and processing by about two weeks and was accompanied by cooler weather.

### VINTAGE:

Non-vintage

### REGION:

South Eastern Australia

### GRAPE VARIETY:

Blend of Red and White Frontignac with Muscat varieties

### MATURATION:

Bottled immediately after blending in order to retain the fresh fruit flavours

### COLOUR:

Delicate pink blush

### NOSE:

Exhibits lifted rose petal and Turkish delight

### PALATE:

The palate is bursting with flavours of rose water, red berries and white musk and finishes with a sweetness that is balanced by acidity and fine bubbles.

### WINE ANALYSIS:

Alc/Vol: 8.5%, Acidity: 6.2, Sugar: 75g/L, pH: 3

### PEAK DRINKING:

Enjoy now!
