

LeoBuring

EDEN VALLEY DRY RIESLING 2021

Since 1945 Leo Buring has established a reputation as Australia's foremost maker of Riesling. At Leo Buring we only make Riesling. It is the grape variety that encapsulates everything we strive for; purity, elegance, time and place and the structure to age gracefully.

In this quest we source our grapes from Australia's premier Riesling regions, being the Clare Valley and the Eden Valley. These regions share similar pure fruit attributes, and the ability to age, but possess their own individual regional characters.

The 2021 Leo Buring Eden Valley Riesling displays pure citrus fruit with fragrant talc notes and underlying minerality, making it a perfect fresh compliment to clean vibrant dishes. The back label contains the International Riesling Scale - a guide that helps Riesling aficionados determine the style of a particular Riesling.

WINEMAKER COMMENTS Marie Clay

VINTAGE CONDITIONS

Average winter rains allowed for a healthy growing season and the establishment of good canopy protecting the fruit. The lead up to vintage and the ripening period was cool, cloudy, and mostly dry allowing for the fruit to develop vibrant and intense flavours with lovely natural acidity. An exceptional Eden Valley vintage being compared to the classic 2002 and 2015 vintages.

GRAPE VARIETY

Riesling

VINEYARD REGION

Eden Valley, South Australia

COLOUR

Very pale with green hues.

NOSE

Fragrant and lively with an expressive nose of regional talc and white florals supported by a core of fresh lemon pith fruit.

PALATE

The palate is classic Leo Buring; pure and flavoursome with vibrant lemon citrus fruits, mineral slate and floral nuances. The acidity is fine and delicate leading to a mouth-watering clean finish.

MATURATION

TECHNICAL ANALYSIS

HARVEST DATE

20th to 25th February

pH

3.0
